WV PBIS High School Cohort

WV High Schools - This SPACE is for YOU!!

WHEELING PARK HIGH SITE VISIT

We kicked off the WV PBIS High School Cohort with an on-site visit to Wheeling Park. WPHS was named a 2022 - 2023 WV PBIS Tier 1 Model School. It is also one of the larger high schools in our state. We can't think of a better place to start!

Meredith Dailer, Principal of WPHS, graciously hosted this event. She shared how PBIS works at WP and offered opportunities for Administrators and Teachers to collaborate on solutions and interventions used in their high schools.

Participants enjoyed a wonderful lunch and an impressive tour of WP! It was a great kick off to the school year AND this cohort!

PBIS HS COHORT GOOGLE DRIVE

Access the Google Drive [HERE](#)

A WV PBIS HS Cohort specific Google Drive has been set up to create a space for all High Schools to share PBIS documents. When your high school shares documents, a folder with your school's name will be created with all files shared inside. When you request permission to the Google Drive, you will be granted access as a Viewer. This will allow you to view and download documents, but will prevent anyone from editing documents within the Google Drive.
