

Direct Instruction of Behavior

Behavioral Lesson Plan Template - Staff

1) Explain expectations & why they are needed

- Check for understanding

2) Specify the details (behaviors/rules) & model examples

- Check for understanding

3) Model non-examples (what they should NOT do)

- Check for understanding

4) Model appropriate examples again

- Check for understanding

5) Staff practice the appropriate behaviors

- Give staff positive feedback
- Provide constructive feedback if needed
 - Some staff may need to practice multiple times
