

# ECPBIS Readiness Series

## Why Readiness?

Interested in ECPBIS? Missed registration for the upcoming ECPBIS Academy? The Readiness Series can prepare classroom teams to attend the Academy in the fall.

## What is involved?

Three virtual one-hour sessions (scheduled one to two weeks apart) introduce classroom teams, schools, or districts to the Pyramid Model.

Each session provides participants with key Pyramid Model practices they can implement in anticipation of attending the Academy.

## How do I schedule sessions?

[Click here](#) to request the Readiness Series for your team, school, or district.

An Early Childhood Behavior Support Specialist will contact you to schedule sessions.
